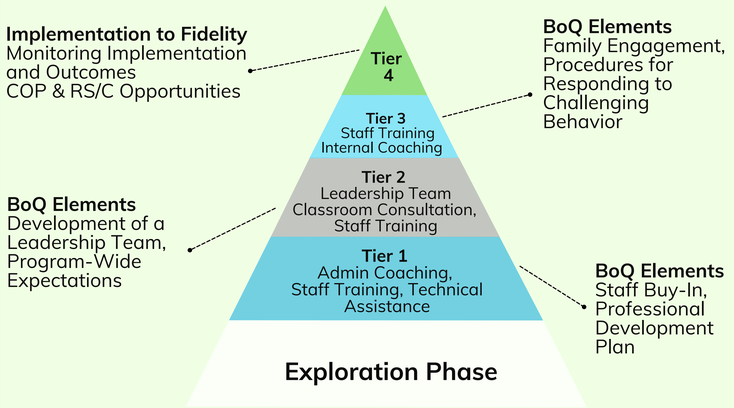
TEAM TN SUMMIT

Team TN held its 1st annual summit on March 10th, 2025. Hope Beissel from PMC presented a training, followed by Team TN piloting the new SLT BoQ with support from Beth Vorhaus, Ashley MacNish and Hope.

TIERED IMPLEMENTATION MODEL



IMPLEMENTATION SITES

21 Implementation Sites across Tennessee are supported by 3 Team TN member organizations

The Hemmeter Lab and TN Voices Ready. Set. Grow! program are the two organizations in Tennessee with funding to provide external coaching for Implementation Sites. In 2025 Ready. Set. Grow! added a Senior Early Childhood Program Implementation Consultant to support the scale up and sustainability of Implementation Sites.

Tennessee PYRAMID MODEL

Mission: Team Tennessee, using the Pyramid Model framework, facilitates public-private collaborations to strengthen the social-emotional development of all infants and young children.

Vision: We envision a state where all young children have a healthy social emotional foundation for life.

THE DATA LIFECYCLE

GENERATION

All Team TN member organizations generate valuable data

COLLECTION

In 2024, Team TN created a new data collection process. The first round of data submission was completed in February 2025.

ANALYSIS

Create data-informed action planning and sustainability planning

IMPROVEMENT

Expand types of data collected, establish partnership with Centerstone Research Institute

Data Collected:

- Pyramid Model and related SEL trainings
- Process data for Implementation Sites
- Pyramid Model consultation process data

Strengths:

- Pyramid Model supports available in all 95 counties
- Strong use of Pyramid Model training, consultation, and technical assistance programs

Growth Areas:

- System capacity to support more implementation sites
- Generating and collecting outcome data to enhance Pyramid Model advocacy
