*Now that the team has begun implementation of the Support Plan, answer the following questions prior to your "follow-up" team meeting to determine the team's follow through with the plan, successes with preventing or changing the challenging behavior, and possible amendments needed to the Support Plan.*

**What positive changes have you observed/experienced?**

---

---

---

**What steps have you followed on the plan for:**

Preventing the challenging behavior?

---

---

---

Teaching the new replacement skills?

---

---

---

Responding in a new way to the challenging behavior?

---

---

---

Responding in a way to reinforce the appropriate skills?

---

---

---

**Do you still think that your hypothesis about the purpose of the behavior was accurate?**

**If not, what do you think is the real purpose of the behavior and why?**

---

---

---

**Which strategies/steps to the plan should be amended or refined?**

---

---

---

**Should any strategies/steps to the plan be omitted or changed completely?**
